ISE / SMG Proposal

High School Program in France for 30 Brazilian Students

1. Program Overview

International Student Exchange (ISE), in partnership with Student Management Group (SMG), is pleased to present this proposal for a group of **30 Brazilian students** to participate in a **14-week high school program in France**.

- **Destination:** France
- **Number of Students:** 30
- **Duration:** 14 weeks
- **Start Date:** 26 August 2026

This program is designed to provide a **comprehensive academic, cultural, and linguistic immersion experience** within the French education system, with full integration into local schools and communities.

---

2. Academic Program

Students will be enrolled in **French public high schools** and fully integrated into the national curriculum according to their academic level:

- **Seconde (Grade 10)**
- **Première (Grade 11)**
- **Terminale Générale (Grade 12)**

Typical Academic Structure

Depending on the assigned grade level, students will attend:

Grade 10 (Seconde):

- Mathematics – 4 hours/week
- Physics/Chemistry – 3 hours/week
- Life & Earth Sciences – 1.5 hours/week
- French – 4 hours/week

Grade 11 (Première):

- Mathematics – 1.5 to 4 hours/week
- Sciences – 2 hours/week
- French – 4 hours/week

Grade 12 (Terminale):

- Mathematics – 6 hours/week
- Sciences – 2 hours/week
- Philosophy – 4 hours/week

Program Includes

- Full academic integration following the standard French school schedule
- School materials provided
- Attendance certificate and academic report
- **Online French language support (1 hour/week for 14 weeks)**
- **Graduation ceremony in Paris**, including one-night stay before departure

---

3. Accommodation & Meals

Students will be hosted by carefully selected **French host families**, ensuring full cultural immersion.

- **Accommodation:** Host families
- **Meals:**
  - Full board at host family (breakfast and dinner on school days)
  - Lunches during school days at **school cafeteria (included)**
  - Full board during weekends and holidays

---

4. Activities & Cultural Integration

The program includes structured and informal cultural experiences:

- **3-day Welcome Camp in Paris** (including guided visits, museums, and Disneyland experience)
- Ongoing cultural activities organized by host families based on student interests
- Minimum of **4 activities per month**

---

5. Transportation & Logistics

- Arrival at **Paris Charles de Gaulle (CDG)** airport
- Reception by program staff upon arrival
- Transfer to Paris for Welcome Camp
- Transfer to train station and travel to host family city
- Local **public transportation (bus passes)** arranged with host family support
- Return logistics:
  - Host family transfer to local train station
  - Reception in Paris and transfer to CDG after graduation

---

6. Student Support & Safety

- Dedicated **local coordinators** in each region
- Continuous student follow-up and integration support
- **24/7 emergency assistance**
- Comprehensive **medical, travel, and liability insurance**

---

7. Placement Locations in France

Students will be placed across **mainland France**, based on host family availability and school partnerships.

Typical placement regions include:

- **Île-de-France (Paris region)**
- **Auvergne-Rhône-Alpes (Lyon, Grenoble)**
- **Provence-Alpes-Côte d'Azur (Nice, Marseille)**
- **Nouvelle-Aquitaine (Bordeaux)**
- **Occitanie (Toulouse, Montpellier)**
- **Pays de la Loire & Bretagne (Nantes, Rennes)**
- **Grand Est (Strasbourg)**
- **Hauts-de-France (Lille)**

Placements are **geographically diversified** to ensure:

- Strong host family networks
- High-quality school environments
- Safe and supportive communities

(All placements are within **mainland France only**.)

---

8. Program Cost

- **Total Cost per Student:** €9,300

Included in the Program Fee:

- Academic placement in a French high school
- Host family accommodation (full board)
- School materials and academic reports
- French language support classes
- Welcome Camp in Paris
- Graduation ceremony and Paris stay
- Transportation within France (airport, train, local transport)
- Cultural activities and excursions
- Medical, travel, and liability insurance
- Local coordination and 24/7 support

---

9. Conclusion

This program offers a **complete and structured international education experience**, designed to:

- Strengthen academic performance
- Improve French language proficiency
- Promote cultural integration and independence
- Develop global competencies

ISE / SMG has extensive experience managing **large-scale government-sponsored programs** and is fully equipped to successfully implement this initiative for the **Government of Brasília**.
