ISE / SMG Proposal

High School & Technical Education Program in Spain

For 110 Students – Government of Brasília

1. Program Overview

International Student Exchange (ISE), in partnership with Student Management Group (SMG), is pleased to present this proposal for a group of **110 Brazilian students** to participate in a comprehensive **academic and technical education program in Spain**.

- **Total Students:** 110
  - **60 students:** Academic track (Bachillerato)
  - **50 students:** Technical/Vocational track (Grado Medio)
- **Destination:** Spain (multiple regions and cities)
- **Duration: 13 weeks**
- **Program Type:** Academic, Technical, Cultural, and Linguistic Immersion

This program is designed to provide full integration into the Spanish education system while developing academic, professional, and intercultural competencies.

2. Placement Locations in Spain

Students will be placed across Spain based on host family availability and school partnerships, ensuring quality placements and geographic diversity.

Primary Regions and Cities

- **Madrid Region:** Madrid, Alcalá de Henares, Getafe, Leganés
- **Catalonia:** Barcelona, Girona, Tarragona
- **Valencia Region:** Valencia, Alicante, Castellón
- **Andalusia:** Málaga, Sevilla, Granada, Cádiz
- **Basque Country:** Bilbao, San Sebastián, Vitoria
- **Castilla y León:** Valladolid, Salamanca, León
- **Galicia:** A Coruña, Vigo, Santiago de Compostela
- **Aragón / Navarra:** Zaragoza, Pamplona

Placements are **nationwide**, allowing:

- Strong host family networks
- Access to quality public schools
- Safe and supportive environments

---

3. Academic Program (60 Students – Bachillerato Track)

Students will be enrolled in the **Spanish secondary education system** based on age and academic background.

Placement by Age

- **Students born in 2011:** 4th year of ESO (10th grade)
- **Students born in 2010:** 1st year of Bachillerato (11th grade)
- **Students born in 2009:** Recommended placement in 1st year of Bachillerato (repeat year)

Available Academic Tracks

- Science
- Technology
- Humanities & Social Sciences
- Arts
- General Bachillerato

Students will select core and elective subjects according to their chosen track.

---

4. Technical / Vocational Program (50 Students – Grado Medio)

Students will be enrolled in **Intermediate Vocational Training Programs (Grado Medio)**, focused on practical and professional skill development.

Available Programs

1. **Commerce & Marketing (Actividades Comerciales)**
2. **Administration & Management (Gestión Administrativa)**

4.1 Commerce & Marketing Program

This program focuses on **marketing, sales, logistics, and business operations**.

Key Subjects (Year 1 Focus)

- **Logistics:** Gestión de compras
- **Marketing:** Marketing en la actividad comercial
- **Sales Processes:** Procesos de venta
- **Retail Management:** Dinamización del punto de venta
- **IT Applications for Commerce:** Aplicaciones informáticas para el comercio
- **Human Resources / Employability:** Itinerario personal para la empleabilidad
- **Professional English**

Additional Areas of Study

- E-commerce
- Customer service
- Warehouse and supply chain management
- Small business operations

4.2 Administration & Management Program

This program focuses on **business administration, accounting, and office management**.

Key Subjects (Year 1 Focus)

- **Administration:** Empresa y administración
- **Accounting:** Técnica contable
- **Secretarial Studies:** Comunicación empresarial y atención al cliente
- **Trade / Commercial Operations:** Operaciones administrativas de compra-venta
- **Human Resources:** Itinerario personal para la empleabilidad
- **IT Systems:** Tratamiento informático de la información
- **Professional English**

Additional Areas of Study

- Treasury and financial operations
- Accounting documentation management
- Business simulation ("empresa en el aula")
- Digitalization and sustainability

Important Academic Clarification

- The requested subjects **Trade, Public Services, and Administrative Processes** are **integrated within "Empresa y administración" (Business and Administration)** in the Spanish curriculum.
- This ensures full alignment with requested areas while maintaining compliance with official education standards.

Academic Placement Note

- All students will be placed in **Year 1 of their respective programs**
- Progression to Year 2 requires completion of Year 1 in Spain

---

5. Accommodation & Meals

Students will be hosted by carefully selected **Spanish host families**.

- **Accommodation:** Host families
- **Meals:**
  - Breakfast, lunch, and dinner (Monday–Friday) at host family
  - Students may bring meals to school when required
  - Full cultural immersion environment

---

6. Program Inclusions

Included in the €10,650 Fee per Student

- Host family accommodation (full board weekdays)
- **Welcome Camp (2 nights / 3 days)**
- Airport transfer with private bus and 2 chaperones
- Local transportation (bus pass / public transport)
- **Spanish language classes (3 hours per week)**
- School books and graduation ceremony
- Travel medical and travel insurance
- Welcome Pack (backpack, materials, etc.)
- **4 full-day cultural excursions**

---

7. Transportation & Logistics

- Arrival and reception in Spain
- Transfer to host cities
- Local transportation for school and activities
- Full logistical coordination throughout the program

---

8. Student Support & Safety

- Local coordinators in each region
- Continuous monitoring and student support
- **24/7 emergency assistance**
- Full insurance coverage

---

9. Documentation Requirements

Students must provide:

- Academic transcripts (Grades 7–10)
- Secondary school diploma
- Official sworn translation into Spanish

10. Program Cost

- **Cost per Student:** €10,650

---

11. Conclusion

This program provides a **comprehensive international education experience**, combining:

- Academic development
- Technical and professional training
- Language acquisition
- Cultural immersion

ISE / SMG has extensive experience managing **large-scale government-sponsored programs** and is fully equipped to successfully implement this initiative for the **Government of Brasília**.
